

New Jersey Department of Education  
Submissions Calendar School Year 2017-18

As part of the New Jersey Department of Education's (NJDOE's) efforts to clarify, simplify and align supports to schools and districts, the submissions calendar contains all submissions that are accessed through [NJDOE Homeroom](#) and [NJ SMART](#).

Please note, this is not intended to be an exhaustive list of all reporting requirements, but a helpful collection of most submissions. Additionally, all submissions are not required for all schools or districts. Your Local Education Agency (LEA) may only be required to provide data for a subset of submissions below.

Please reach out to [DOEIT@doe.state.nj.us](mailto:DOEIT@doe.state.nj.us) if you have any questions about the applications listed and you will be directed to the appropriate office to answer your questions.

Note: The following tables are listed in chronological order, by collection open month. All NJ SMART information is identified in the right column.
